

# STRATHARDLE PILGRIMAGE TRAIL

An immersive augmented reality experience

## HOW TO LISTEN TO THE TRACKS (Without walking the actual trail)

1. Press **START**

2. Press the pause button so it goes to this

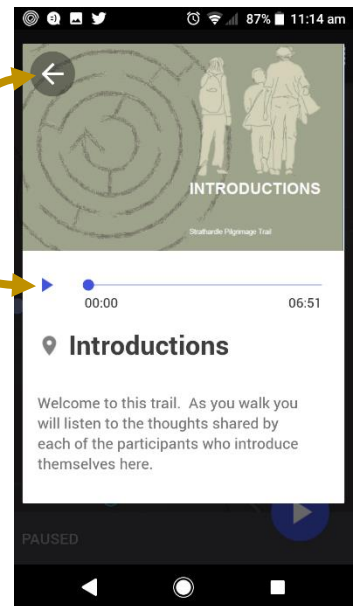

3. Click on a blue spot (you can make the map bigger with your fingers)

4. click on the balloon that appears

5. play/pause the track here

6. Go back to the map to choose another track

If more than one track starts playing at once, click here on the map and choose stop walks
